WHEREAS, the residents of Johnston County have great respect, admiration, and the utmost gratitude for all of the men and women who have selflessly served our country and this community in the Armed Forces; and

WHEREAS, the contributions and sacrifices of the men and women who served in the Armed Forces have been vital in maintaining the freedoms and way of life enjoyed by our citizens; and

WHEREAS, Johnston County seeks to honor these individuals who have paid the high price for freedom by placing themselves in harm's way for the good of all; and

WHEREAS, Veterans continue to serve our community in the various Veterans Services Organizations, religious groups, civil service, and by functioning as County Veteran Service Officers in 29 states to help fellow former service members access more than \$52 billion in federal health, disability and compensation benefits each year; and

WHEREAS, Approximately 200,000 service members transition to civilian communities annually and an estimated 20 percent increase of service members will transition to civilian life in the near future; and

WHEREAS, studies indicate that 44-72 percent of service members experience high levels of stress during transition from military to civilian life and are at a high risk for suicide during their first year after military service; and

WHEREAS, the National Association of Counties encourages all counties, parishes and boroughs to recognize Operation Green Light for Veterans; and

WHEREAS, Johnston County appreciates the sacrifices of our United States Military Personnel and believes specific recognition should be granted.

NOW THEREFORE, BE IT RESOLVED, with designation as a Green Light for Johnston County, the Johnston County Board of Commissioners hereby declares the month of October through Veterans Day, November 11, 2026, a time to salute and honor the service and sacrifice of our men and women in uniform transitioning from Active Service; and

BE IT FURTHER RESOLVED, that in observance of Operation Green Light, Johnston County encourages its citizens in patriotic tradition to recognize the importance of honoring all those who made immeasurable sacrifices to preserve freedom by displaying a green light in a window of their place of business or residence, and further encourages all municipalities within Johnston County to display green lighting, wherever possible, at public buildings.
